DEATH OF MRS. LINDINGER.

After a long and patient illness, borne with Christian fortitude, Mrs. FREDERICA LINDINGER passed peacefully away at her residence, the Lindinger House, on Krebs avenue and Pascagoula street, at 10:25 Monday morning, surrounded by her loving children and a host of devoted friends, aged 55 years, 4 months and 26 days.

Mrs. Lindinger with her husband and children moved here in 1877 and has since endeared herself to all by her many noble traits of character. She was born in Wuertemburg, Germany, in 1846, and at an early age came to America.

She leaves six daughters, one married, Mrs. W. S. Cooley, two sons, Mr. Fred L. Lindinger, Town Marshal, and Mr. Walter Lindinger, night operator at the L. & N. station. She also leaves two brothers, Mr. J. G. Volle, of Calvert, Texas, and Mr. J. F. Volle, of Scranton.

The funeral, which was largely attended, took place from the Lutheran church at 3:30 o'clock Tuesday afternoon, proceeding to the Protestant cemetery at Pascagoula, where the remains were laid to rest beside those of her husband. Rev. C. O. Smith performed the burial ceremonies.

The claim of other cough medicine to be as good as Chamberlain's are effectually set at rest in the following testimonial of Mr. C. D. Glass, an employe of Bartlett & Dennis Co., Gardiner, Me. He says: "I had kept adding to a cold and cough in the winter of 1897, trying every cough medicine I heard of without permanent help, until one day I was in the drug store of Mr. Houlehan and he advised me to try Chamberlain's Cough Remedy and offered to pay back my money if I was not cured. My lungs and bronchial tubes were very sore at this time, but I was completely cured by this remedy, and have since always turned to it when I got a cold, and soon find relief. I also recommend it to my friends and am glad to say it is the best of all cough medicines." For Sale by McVea Young, Scranton and J. W. Stewart, Moss Point, druggists.

FRED L. LINDINGER.

Frederick Louis Lindinger, a well-
known citizen of Pascagoula, died at
his home on Jackson avenue, this city,
on Saturday morning, November 4,
1933, at 12:30 o'clock, after an illness
of several months.

The funeral was held from late home
of deceased, 507 Jackson avenue, on
Sunday afternoon at 3:45 o'clock.
There was a short service at the home,
conducted by Rev. W. I. McInnis of
the Presbyterian church, and Rev. Wm.
Wedig of the Lutheran church, after
which the remains were taken in
charge by the Pascagoula Masonic
Lodge and conveyed to Greenwood
Cemetery, where the beautiful burial
service of the Masonic Order was car-
ried out, the following Masons con-
ducting the service: H. D. Cudabac,
acting worshipful master; T. R. Swart-
wout, senior warden; R. G. Lander,
Junior warden; L. F. Kramer, marshal,
and Dr. G. P. McKeown, chaplain, all
past masters of the order. The fol-
lowing citizens and personal friends of
deceased acted as pall bearers: Fred
Taylor, George J. Granlund, E. J. Ford,
H. P. Heidelberg, J. Guy Krebs and
W. G. Parker. A long line of cars
carried many friends and acquaint-
ances of the Lindinger family to the
cemetery, and a large number of
beautiful floral offerings from friends
afar and near covered the last resting
place of deceased.

Mr. Lindinger was 62 years of age,
was born in New Orleans, but had lived
in Pascagoula the greater part of his
life. In his early days he learned the
printer's trade in the old Democrat-
Star office under the tutelage of the
late P. K. Mayers, where he worked
several years. Then he worked a while
in the Pensacola News office, and later
owned and ran a job printing office
in Pascagoula.

Entering local politics, Mr. Lindinger
became identified with the official
life of the city and county, holding
several offices of honor and respon-
sibility. He was city marshal of Pas-
cagoula, a member of the city coun-
cil, a deputy county assessor, deputy

is said, and an increase is expected
during the next few years as a re-
sult of lowered physical resistance.

Dr. Felix J. Underwood, director of
the State Board of Health is quoted
as summing up the situation in a recent
statement thus: "Past progress in re-
ducing the number of cases and deaths
may have lulled some workers into a
sense of security. However, since dur-
ing an extended period many persons
have not proper food and care, there
is certain to be an increase in tuber-
culosis."

The Tuberculosis Association and
all official agencies are girding for
an intensive campaign to hold the ex-
pected increase as low as possible, it is
pointed out, for 1396 annual deaths,
from a preventable cause are too many.
When it is known that 9 cases exist
for each annual death, the frightful
total of 12,564 actual cases of tubercu-
losis in Mississippi rears a terrible sig-
nal to challenge the best thought and
co-operation of every interested citi-
zen.

The affiliated groups composing the
National Tuberculosis Association point
out the danger signs as a vague ill-
feeling lasting several weeks, lack of
endurance, poor appetite, frequent
colds, slight fever, loss of weight, blood
spitting, pleurisy, continued hoarseness
and night sweats. It is added that
these symptoms do not necessarily
mean that a person has tuberculosis,
but that any of them should be a
warning sign to be heeded by going
to a doctor for a thorough examina-
tion.

ed the naval service two years ago at
New York on one of the training ships.
Owing to his intelligent discharge of
duty he was selected to fill a position in
the quartermaster's department and
sent to China at the outbreak of hostili-
ties, where he was soon advanced to oc-
cupy an important post. His many
friends are glad to welcome him back.
Like many of those returning from that
far-off country he brought back with
him many interesting and curious sou-
venirs.

The Mayor and Board of Aldermen
held their first regular meeting of their
term last Tuesday night. It was a re-
markable quiet affair compared with the
organisation meeting. Inasmuch as the
supreme court had decided that the out-
going board had no right to elect the
subordinate officers for the incoming
board they proceeded to rescind their
action of the last meeting and proceeded
with the election of a town clerk, Mr.
Wm. G. Parker being unanimously elect-
ed to that position for two years. He is
well qualified and will doubtless make
an efficient officer. Messrs. Denny &
Woods refusing to accept a salary of \$50
a year as attorneys for the board, on mo-
tion the salary was raised to \$100 a year
and \$5 for every case going to the circuit
court. The vote was unanimous. The
Mayor appointed the following commit-
tees:

Young.

Water and Lights—D. D. Cowan, Wm.
G. Parker.

Finance—John H. Santa Cruz, McVea

Ed. D. Mansfield was elected deputy
marshal at a salary of \$50 per month.
